There will be no gridiron food for football fans in Barre this week end, as the Goddard seminary team is playing Colby academy in New London, N. H., this afternoon. Coaches Hoernle and Early accompanied the squad to New Hampshire. Goddard has games scheduled with St. Michael's college, Middlebury college and St. Peter's A. C. in the next fortnight.

At the afternoon session, the plaintiff, Mrs. Cynthia Douglas, closed her case, and the defendant then occupied but a short time in presenting its side of the contention.

Paving layers are progressing rapidly on the South Main street job and by to-night it is probable that a strip extending from the terminus of the old paving to the Barre & Chelsea railroad crossing will have been completed. It Is An Old, Old Story

"that you are more liable to lose on a losing horse." You are most likely to win on a winner. Among the multitude of ladies' apparel houses selling in New England, none has come to the front so fast during the last three years as the house of Printz-Beiderman Co.

Our success has come from matter-of-fact adherence to the plain, self-evident truth of business. We have come to take our place among the leading apparel houses because we have carved out a definite policy of SERVICE AND VALUE and held unswervingly to it.

We want you to see our large line of Coats, Suits, Skirts and Waists, which are unusual values at the present time.

Ladies' Fall and Winter Waists

We have now an unusually large line of the season's best values in Ladies' Waists of all qualities, in a large variety of styles and qualities.

One line of Waists which have come in this week are a regular Tailored Waist that is made up in heavy Crepe de Chine, Handkerchief Linen, Dimity and Lawn. These are extremely new and very popular just now. These are made in the newest tailored style and you will like the change and the tailoring will appeal to you.

In the Silk Waist models are some good All-Silk Jap Waists in whites and colors, also Stripes, that we are selling at \$2.00 each, that are real values.

In the Crepe de Chine, Georgette Crepe and Habiti Silk Waists, we can show you some unusually good models in qualities from \$3.53 to \$7.75. Also some unusually good models in Colored Embroidered Front that are new and very good just now.

Ladies' Warm, Serviceable Coats

We have some new models in Coats, such as the Wooltex and Printz-Beiderman make, that will surely appeal to those who want a Coat for service, and at the same time are looking for the best styles of the season.

It is hard to get a Coat this season to sell at a small price, but when you come to Coats to sell at from \$12.50 to \$40.00, we were never able to give you any better values for your money.

When you buy a good Coat this season, you buy a Coat that is bound to be good style for at least two years. The straight tailored lines and fullness around the skirt make these Coats the most conservative garments we have sold in many seasons. You will be pleased with the graceful lines and the values are surely extra good. We have new models coming in nearly every day. See them.

To win this fight for liberty we must stand together as a nation. There is no surer bond between a man and his country than that he shall be a bondholder of his country.

At a meeting of the members of the senior class of Spaulding high school held yesterday forenoon, Hildreth Martin of Averill street was unanimously elected secretary of the class.

Bag day for the City hospital comes on Oct. 25 this year. It is intended that every family in Barre shall have a bag before that day, and it is hoped that one of these bags, containing a donation, will be found on the steps of every house when Chief Gladding begins the collections at 9 o'clock Thursday, Oct. 25.

The hospital aid is distributing bags in preparation for its annual bag day, Oct. 25. It is asking for money, towels, tray cloths, old cotton and linen, canned goods and jellies, fruit of all kinds and fall vegetables, or, in fact, anything that can be used in the home. It has not been possible to distribute bags beyond the city limits, except in a few cases, but the ladies would gratefully receive contributions from those outside the city. Bring them to the hospital Thursday, Oct. 25.

Miss Marion Willey was pleasantly surprised last evening at her home on South Main street when, upon returning from the home of a neighbor, she found her home in the possession of about 25 of her friends. Miss Willey showed herself equal to the occasion and quickly proved herself to be an ideal hostess.

During the evening refreshments were served, while games and an informal program of musical numbers tended to pass the evening pleasantly. In behalf of her friends Alex Paul presented Miss Willey a handsome chain and pendant, for which she responded fittingly.

There was a good deal of interesting stuff in Morosco's "So Long Letty" as presented at the Barre opera house last evening, and not the least interesting was the splendid work of the orchestra under the direction of Joseph A. Treddi.

With William Bartlett, formerly of Montpelier, as first violinist, Mr. Bartlett's friends were in the audience in large numbers and they gave him a heart warming reception when he appeared and whenever he and the orchestra played; in fact, the enthusiasm got so warm that the audience gave three cheers for "Bill" Bartlett during a lull in the rollicking fun that was taking place on the stage.

During another lull, F. G. Howland, one of Barre's four-minute men, gave an appeal in behalf of the Liberty loan and was accorded close interest. Gladys Lockwood as the lanky "Letty," Jean Temple as her physical antithesis (meaning plain face), Jack Pollard and Hobart Cavanaugh, the respective husbands of the two women, who figured in an amusing attempt to swap helpmeets, were clever; and the dancing of Una Flemming was very dainty. All through the performance the large audience was kept in good humor.
